## FOR ITS FINAL SETTLEMENT

Writ of Error Granted Yesterday-Hope That the Case May Be Heard Before Election-State News.

Laxagen, June 30.-The petition of Henry M. Duffield, for the relators, asking that the Miner bill contest be sent to the United States supreme court for final hearing, came up in the supreme court this a naing. It will be nembered that the opinion on this famous bill, as given by the state supreme court, was unanimous on every point brought out in the contest. Mr. Duffield's writ was of the usual for-mula and simply recited that the state court had been in error in its opinion, and seked that the matter be referred to the United States supreme court on a writ of error. Mr. Duffield's petition was granted, and the whole question will again come up in the supreme court of the United States. There is some hope of the matter taking precedence, on account of its importance, on the United States supreme court docket, and a hearing being granted and a decision rendered in time for

## HE WAS A BRUTE INDEED.

An Inhuman Hack Driver Assaults a Woman.

DETROIT, June 30 .- It has just leaked out that Mrs. Annie Freeman was brutally assaulted by Michael O'Donnell, a hack driver, at his mother's house, No. 109 Beach street, on Saturday morning and as a consequence her body is a mass of bruises and she is con-fined to her bed. There has been trouble between O'Donnell and his mother over some family property, and the only cause for the assault is that Mrs. Freeman is friendly to Mrs. O'Donnell, and was belying her in her house at the time of the assault. The weapon with which O'Donnell beat his victur was a heavy whip, and after knocking her down with it, he continued beating and kicking her. The doctor who attended Mrs Freeman fears that she is injured internally. She is 38 years old and a stout, healthy woman, or she might have succumbed to her injuries before now. A warrant has been issued for O'Dennell's arrest on a charge of as-sault with intent to kill and murder, but he cannot be found and is supsed to have left the city. LETTERS OF THE DEAD
